PROMOTIONAL GRAPHICS

Portable Reception

Portable counters are light, quick to set up and dismantle and a great way to meet and greet your stand visitors. Customise with your graphics for your own corporate look.

Flags, small pop-ups and branded reception counters all help to catch the eye and **get you noticed** in a busy exhibition venue!

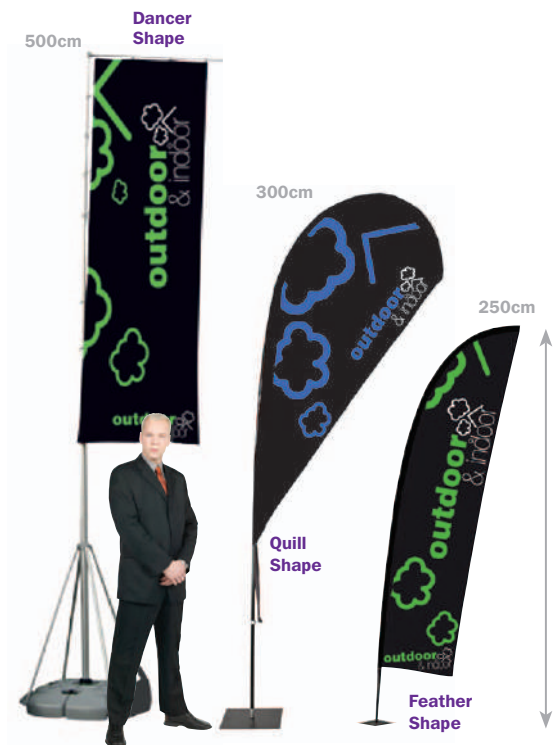

POP-UP COUNTER

- Quick set up
- Light and portable
- Beech effect top
- Four shelves.

FLAGS

Flags are a great way to display your message. Now in many styles including Dancer, Feather, Crest and Quill shapes, all from sizes 250cm to 500cm high. Inside and outside versions available.

GANTRY STAND + GRAPHICS

This strong lightweight system allows you to build and transport complete impressive exhibition stands in a variety of layouts and customised sizes.

These can be designed to your exact requirements and specifications.

Simple and easy to add more frame parts to expand your stand kit as you require.

Examples shown were designed and produced by ASG for MSLO International of Dubai UAE and (inset) Compo Expert UK both from an outline brief with specified exhibition dimensions
